The accommodation in Mozambique is simple and the roads can be slow. Local facilities are limited so most of the meals are prepared by the Sunway crew. Malaria prophylactics are recommended. This is an easy paced, relaxing safari for those looking for a different experience in Southern Africa.

**DEPARTS:** JOHANNESBURG on Sunday at 06:30am

**ENDS:** JOHANNESBURG on Saturday at 18:00pm

### Highlights

- \* Zululand – game drives and cultural walks

## SAFARI GRADE: ACCOMMODATED

**Note:** you can fly out of Johannesburg airport on the last day of tour, we do a free drop off at JNB at +/-17:00

**Overnight** the accommodations on this tour are chosen for their location and the activities available. 13 nights twin share en suite chalets, lodges and casitas. The guides will sort out room allocations.

**Meals** 13 breakfasts, 13 lunches and 7 dinners are included. Of which 9 breakfasts, 2 lunches and 5 dinners are provided by the lodges. The remaining included meals are provided by the Sunway guides, prepared either at the truck or in the self-catering kitchen. Meals will be eaten either under the trees near your chalet or around the campfire at the truck.

**Transport** due to sometimes poor roads we use Sunway Safari trucks with 12 seats for this tour. On 5% of tours we may use Mercedes Sprinter minibuses with 12 seats and air conditioning. Potholes, rain damaged gravel roads, livestock and children on the roads can make travel slow, but at the same time you'll pass through villages and witness the local lifestyle all the way. Game viewing in the national parks will be in the Sunway vehicle

**Limited participation** an essential part of your safari is participation. From carrying your own bag to your room to packing the truck in the morning – it's all part of your adventure. Your tour leaders will do the meal preparation when required but we do ask the clients to help (on rotation) with the washing up. There are some long travel days which means early morning starts so we all need to get involved to make the day run efficiently.

We have 3 boat launches planned which gives us a chance to snorkel on the shallow reefs, view dolphins and whales from the boat, and hopefully swim with dolphins if their activity at the time permits us to enter the water. ### *Why travel with Sunway Safaris*

We understand that there are several options available to you when choosing your African safari. We also know that you want to make the most informed decision about your safari, what you get, what's included and what you see and experience. So these are just a few of the Sunway qualities and facts:

- **Small groups** – by travelling with a maximum of 12 people, you can witness Africa and have first-hand contact with this amazing continent and its people without being a negative influence. This has been a key factor in our continued success. Our trips appeal to a wide demographic of traveller. Our clients range in age from 25 to 65+ with the average being 45. The range of travellers gives a variety of perspectives which adds to the experience of each safari.
- **2 Sunway tour guides** – group leaders are the key to any safari. On a Sunway safari you will travel with 2 qualified and registered field guides (Field Guides Association of SA). Two guides as crew, not a guide and a driver, means interesting trips with maximum knowledge and information. Our guides have a passion for Africa, her people and wildlife, and they love nothing more than sharing their knowledge with you.
- **Guaranteed departures** – departure dates on each itinerary shown as bold are guaranteed departure dates. All other departures operate with a minimum of 4 clients.
- **All-inclusive price** – when we travel ourselves, we always feel that if we're in a country we should find and see the best it has to offer. So when planning the Sunway routes, we ensure that each trip provides the best inclusions and experiences. For example, if you go to Botswana – you have to visit the national parks in an open 4WD – it is the essence of the Botswana wilderness. If you tour Zambia, then you must visit South Luangwa NP and do a game walk with a local scout. When booking on a Sunway Safari there are no hidden costs. All of the entrance fees are included, and a wide range of activities, and most meals. We have included many highlights in our tours, so that you will see and experience the highlights without having to pay extra when you get there. So when you decide on which safari company to book with, look carefully at what you're actually getting. You may only visit a place once, make sure you get the most out of it.
- **Safety** – our fleet of vehicles are custom built to ensure comfortable and safe touring. Each is constructed, by an authorised passenger vehicle builder, to the latest safety requirements, with a safety shell, and every seat has a lap belt. This gives you peace of mind when travelling with Sunway Safaris on the often demanding African roads.
- **Good2Go** - Our commitment to sustainable & responsible tourism is reflected in our low impact travel style where all we take is photographs and all we leave is our footprints. Being an African company, we have the grassroots contacts to make a real difference in the lives of the people whose lands we visit. On each itinerary in the brochure you'll find this symbol which highlights just one of the sustainable travel initiatives that we support.
- **Solo Travellers** – going it alone won't make your holiday more expensive; our reservations staff will match you up with another same-gender traveller to keep your holiday affordable. If however you request a single room or tent these are available, with a price supplement

- **Experience** - we have more than 27 years' experience planning tours throughout Southern Africa. As such, our itineraries and routes have been perfected over many years ensuring that your tour will run smoothly. We visit the highlights of Southern Africa but ensure that you do not follow the well-trodden tourist track. All of us at Sunway Safaris have extensive travel experience in Africa, and throughout the world. Being adventure travellers ourselves, we know how to plan trips that give you a broad experience of the countries that you will visit.
- **Based in Africa** - probably the most important part of a Sunway safari is that we are an African company with offices in South Africa and Botswana. We live in Africa, we travel in Africa and it is our passion for this amazing continent that makes Sunway your best travel option.
- **Age Policy** - On all scheduled tours, we accept children 12-17 with accompanying adult. We have no upper age limit. Clients older than 65 years of age at time of travel require a medical certificate stating client is fit and healthy to join an adventure travel group tour. We have many clients over 65 years of age, who are perfectly capable of enjoying every aspect of a Sunway tour, both accommodated and camping. For more details contact [marketing@sunway-safaris.com](mailto:marketing@sunway-safaris.com).

### ***Common questions about this trip***

1. **Can I buy camera memory cards?** Memory cards and other photographic accessories will be available several times on tour. A camera with a zoom lens from wide angle to telephoto, 35-300mm, is advisable to capture both scenic and wildlife shots. Each vehicle is fitted with a 12/24V cigarette lighter – this should not be relied on for charging camera batteries and we recommend you bring a 2<sup>nd</sup> battery. Remember you can also charge your camera on those nights we use accommodation (SA 220V)
2. **Is it safe?** KwaZulu Natal and Moçambique are relatively safe and your guide knows the countries intimately and will endeavour to show you the best parts while looking after you. In the cities, such as Maputo, keep a careful eye on your belongings and don't leave anything lying about - petty theft is not impossible. In the wild areas your guide will brief you on the necessary precautions, follow this advice and you will be fine. Be aware of your personal belongings and you will have a great trip!
3. **Do I need malaria tablets?** Yes, the trip passes through malaria areas and prophylactics are recommended. Please consult your doctor before arriving in Southern Africa.
4. **What do I need to bring?** All details are covered in our general tour briefing (available from [www.sunway-safaris.com](http://www.sunway-safaris.com) on home page) but the basics are: - comfortable clothes for warm days and cool evenings, walking shoes, a raincoat, hat and sunglasses, swimsuit, a small pair of binoculars also comes in very handy and most importantly - a sense of adventure!
