CAPE TO VIC FALLS "EXPLORER"

ENDS: VICTORIA FALLS, ZIMBABWE on Wednesday at 08:00am

Highlights

- * Cape Town – Cape Point tour
- * Fish River Canyon – walking
- * Namib Desert – walk Sossusvlei dunes
- * Swakopmund – dune boarding & sea kayaking
- * Brandberg – rock paintings
- * Etosha NP – game viewing from camp & on drives

SAFARI STYLE: CAMPING

The CV21 Cape Town to Victoria Falls tour is the full 21 days.

The CW14 Cape Town to Windhoek offers a complete Namibia safari, with the added bonus of a Cape Town start.

Overnight 14 nights on safari we stay at designated campsites in national parks and towns. Formal campsites have hot and cold showers, laundry facilities & telephones.

2 nights we "camp wild" without fences in the Okavango. On these nights the crew will erect a bucket shower (with hot water off the fire) and a pit latrine (with seat!). 4 nights guest house, twin bedrooms with en suite facilities on a bed and breakfast basis.

Meals 20 breakfasts, 16 lunches and 12 dinners will be provided by the Sunway crew, prepared at the vehicle and eaten around the camp fire. (3 of these breakfasts are provided by the guest houses and lodges).

Transport Due to Namibian gravel roads we mostly run this tour in custom-built Sunway Safari trucks with 12 seats; or (on 5% of tours) Mercedes Sprinter minibuses with 12 forward facing seats and air conditioning. For the transfer into the Okavango we use a 4WD Land Cruiser with 12 forward facing seats, with trailer.

Limited participation An essential part of your safari is some participation. From putting up your tent to packing the truck in the morning – it's all part of your adventure. There are some long travel days which means early morning starts so we all need to get involved to make the day run efficiently. Your tour leaders will do all the meal preparation but we do ask the clients to help (on rotation) with the washing up. In the Okavango the local polers will offer to assist with washing up, and make your life a little easier!

Why travel with Sunway Safaris

We understand that there are several options available to you when choosing your African safari. We also know that you want to make the most informed decision about your safari, what you get, what's included and what you see and experience. So these are just a few of the Sunway qualities and facts:

- **Small groups** – by travelling with a maximum of 12 people, you can witness Africa and have first-hand contact with this amazing continent and its people without being a negative influence. This has been a key factor in our continued success. Our trips appeal to a wide demographic of traveller. Our clients range in age from 25 to 65+ with the average being 45. The range of travellers gives a variety of perspectives which adds to the experience of each safari.
- **2 Sunway tour guides** – group leaders are the key to any safari. On a Sunway safari, you will travel with 2 qualified and registered field guides (Field Guides Association of SA). Two guides as crew, not a guide and a driver, means interesting trips with maximum knowledge and information. Our guides have a passion for Africa, her people and wildlife, and they love nothing more than sharing their knowledge with you.
- **Guaranteed departures** – departure dates on each itinerary shown as bold are guaranteed departure dates. All other departures operate with a minimum of 4 clients.
- **All-inclusive price** – when we travel ourselves, we always feel that if we're in a country we should find and see the best it has to offer. So when planning the Sunway routes, we ensure that each trip provides the best inclusions and experiences. For example, if you go to Botswana – you have to visit the national parks in an open 4WD – it is the essence of the Botswana wilderness. If you tour Zambia, then you must visit South Luangwa NP and do a game walk with a local scout. When booking on a Sunway Safari there are no hidden costs. All of the entrance fees are included, and a wide range of activities, and most meals. We have included many highlights in our tours so that you will see and experience the highlights without having to pay extra when you get there. So when you decide on which safari company to book with, look carefully at what you're actually getting. You may only visit a place once, make sure you get the most out of it.
- **Safety** – our fleet of vehicles are custom built to ensure comfortable and safe touring. Each is constructed, by an authorised passenger vehicle builder, to the latest safety requirements, with a safety shell, and every seat has a lap belt. This gives you peace of mind when travelling with Sunway Safaris on the often demanding African roads.
- **Good2Go** - Our commitment to sustainable & responsible tourism is reflected in our low impact travel style where all we take is photographs and all we leave is our footprints. Being an African company, we have the grassroots contacts to make a real difference in the lives of the people whose lands we visit. On each itinerary in the brochure, you'll find this symbol which highlights just one of the sustainable travel initiatives that we support. 
- **Solo Travellers** – going it alone won't make your holiday more expensive; our reservations staff will match you up with another same-gender traveller to keep your holiday affordable. If however, you request a single room or tent these are available, with a price supplement
- **Experience** - we have more than 31 years' experience planning tours throughout Southern Africa. As such, our itineraries and routes have been perfected over many years ensuring that your tour will run smoothly. We visit the highlights of Southern Africa but ensure that you do not follow the well-trodden tourist track. All of us at Sunway Safaris have extensive travel experience in Africa and throughout the world. Being adventure travellers ourselves, we know how to plan trips that give you a broad experience of the countries that you will visit.
- **Based in Africa** - probably the most important part of a Sunway safari is that we are an African company with offices in South Africa and Botswana. We live in Africa, we travel in Africa and it is our passion for this amazing continent that makes Sunway your best travel option.
- **Age Policy** - On all scheduled tours, we accept children 12-17 with accompanying adult. We have no upper age limit. Clients older than 65 years of age at the time of travel require a medical certificate stating the client is fit and healthy to join an adventure travel group tour. We have many clients over 65 years of age, who are perfectly capable of enjoying every aspect of a Sunway tour, both accommodated and camping. For more details contact marketing@sunway-safaris.com.

Accommodation

- **Camping** - for 14 nights on safari we stay at designated campsites in national parks, on private land and in towns. Campsite facilities are generally very good but in places can be basic. There are hot and cold showers, restaurants, washing facilities and telephones available at most of the campsites. Some camps in Namibia and Botswana have simple reed enclosures for showers but do have flush toilets! Sunway supplies all the camping equipment with the exception of your sleeping bag and pillow. The dome tents we use are 2.2 x 2.2 x 1.8 metres and putting them up or down takes only 5 minutes. Tents have built-in insect nets. We supply mattresses, which are about 5 cm thick, warm and comfortable. The camp chairs have a backrest.

- **Wild camping** - for 2 nights while in the Okavango Delta we camp wild on remote islands. During the dry season, we may also camp wild for 1 night on the Makgadikgadi Pans. Wild camps have no facilities; we will need to take our own water and all equipment. Wild camping is very enjoyable but please remember that we leave no trace of our stay and take all rubbish away with us. Toilets will be of the "dig and bury" variety.

Please note:

That the accommodation specified above and in the itinerary is a guide only and is subject to availability. Alternatives will be of a similar standard, and accommodation changes will be made without notice.

SOS trees project – Okavango Botswana

- For hundreds of years, the local communities in and around Botswana's Okavango Delta have used the wood of the sausage tree to craft their traditional mokoro (dugout canoes). The knowledge and skill have been passed down from generation to generation and, up until recently, has been a sustainable practice. With increasing numbers of people visiting the Delta each year, more mokoro are needed and as a direct result, more and more sausage trees are being felled and the sausage tree is sadly disappearing from the region. A traditional wooden mokoro will have to be replaced every five years, thereby placing increased pressure on the dwindling sausage tree supply.

Sunway Safaris has established a project to encourage polers in the local communities to buy replica fibreglass mokoro's, which have a lifespan of approximately ten years, are more stable and are produced without any negative affect to the environment. As such, sponsorship for each fibreglass mokoro is needed, and a portion of the tour cost will be donated to the project, but we also will offer our clients the opportunity to contribute to this worthwhile cause. Please feel free to contact the Sunway Safaris office for more information on the SOS Trees project or if you would like to make any contributions towards this project. It is something that is close to all of our hearts and we hope that it will be successful.

Local Payment

- There is no local payment required on this safari.

Shopping

- Craft shopping for carvings, batiks, paintings and clothing is best in Livingstone, Zambia which has a wide variety of curios. Botswana has beautiful grass weavings. Namibia also has unusual and interesting curios and crafts. If you see something you like, it is best to buy it because it is unlikely that you will see something similar further along. Crafts change from region to region.

Food

- We pride ourselves on offering delicious healthy meals to our clients and will provide three meals per day, except where shown in the itinerary, when we try out local restaurants.
- The tour leaders do the shopping and meal planning for each group. He/she will always try to obtain fresh produce wherever possible. A rough idea of what these will consist of is: Breakfast - cereals or coffee and toast or the occasional fried breakfast, Lunch - cheese, cold meats, salads on bread or rolls, Dinner - braais (local barbecue), potjies (stews), stir-fries etc. We use regular plates, cups and cutlery. All cooking and eating utensils will also be provided.
- Please be aware that, due to the diverse tastes of our clients, we are unable to accommodate individual food preferences on our group tours. The group shared meals we provide are subject to available produce, and in our sometimes-remote destinations, the variety of ingredients is sometimes limited. However, we do take

allergies, vegetarian and vegan dietary requirements into consideration to ensure everyone has suitable meal options.

- We will supply fruit squash served with breakfast and tea or coffee served with breakfast and dinner. All other beverages will be for your own expense. We will not supply bottled drinking water although it is available at many shops on tour.

Difficulty

- Anyone who is generally active and in good health should enjoy this trip. The outdoor enthusiast enjoys simple campsites and basic wild camps, you will get dusty on occasion, but this is Africa!
- Full itinerary with a couple of long driving days, but also plenty of outdoor activity with some relaxing time. This is a long-distance trans Africa safari - there is a lot of distance to be covered and so there will be some long travelling days. Due to local conditions, border crossings, road detours and weather, the trip may alter route/schedule - please remember that this continent has its own time scale and things work differently here. Keep an open mind and a sense of humour - it's all part of the adventure!
- Everyone is asked to help out with the running of camp on tour. In other words if everyone spends a little time setting up camp, preparing meals and cleaning up then the tour will run smoothly and everyone will have a good time. Participation is the name of the game.

Things you should know

- Includes park entrances, game drives and the Okavango Delta excursion.
- You will need a valid passport and visas for entry into South Africa, Namibia, Botswana and Zimbabwe.
- You are joining an Under Canvas camping trip; you will need to bring your own sleeping bag (and a small camp pillow) and a towel. Should you not have, or do not want to buy a sleeping bag, you can rent a sleeping bag and camp pillow from the Sunway office for Euro 1 per sleeping bag per day on tour. Please book this at the time of booking.
- For the Okavango Delta wilderness camp, you need to re-pack clothes and personal items for the two nights into your daypack, as space on the mekoro is limited. Your main bag will remain in Maun.
- We recommend that you bring a small amount of Euro, US\$ or South African Rand for personal expenses on this trip but please note that in Namibia Euro and US\$ will need to be changed into Namibian \$ or South African Rand as shops, restaurants and market vendors only accept N\$ and ZAR. In Botswana please note that foreign currency will need to be changed into Botswana Pula as shops, restaurants and market vendors only accept BWP. In Zimbabwe you will need USD cash (or EUR or ZAR although they are less readily accepted). Mastercard and Visa credit cards can also be used for restaurants, shops and optional activities throughout the tour. See the Sunway tour dossier for approximate costs of drinks and meals etc.
