## DETAILED TOUR INFORMATION:

### *Why travel with Sunway Safaris*

We understand that there are several options available to you when choosing your African safari. We also know that you want to make the most informed decision about your safari, what you get, what's included and what you see and experience. So these are just a few of the Sunway qualities and facts:

- **Small groups** – by travelling with a maximum of 12 people, you can witness Africa and have first-hand contact with this amazing continent and its people without being a negative influence. This has been a key factor in our continued success. Our trips appeal to a wide demographic of traveller. Our clients range in age from 25 to 65+ with the average being 45. The range of travellers gives a variety of perspectives which adds to the experience of each safari.
- **2 Sunway tour guides** – group leaders are the key to any safari. On a Sunway safari you will travel with 2 qualified and registered field guides (Field Guides Association of SA). Two guides as crew, not a guide and a driver, means interesting trips with maximum knowledge and information. Our guides have a passion for Africa, her people and wildlife, and they love nothing more than sharing their knowledge with you.
- **Guaranteed departures** – departure dates on each itinerary shown as bold are guaranteed departure dates. All other departures operate with a minimum of 4 clients.
- **All-inclusive price** – when we travel ourselves, we always feel that if we're in a country we should find and see the best it has to offer. So when planning the Sunway routes, we ensure that each trip provides the best inclusions and experiences. For example, if you go to Botswana – you have to visit the national parks in an open 4WD – it is the essence of the Botswana wilderness. If you tour Zambia, then you must visit South Luangwa NP and do a game walk with a local scout. When booking on a Sunway Safari there are no hidden costs. All of the entrance fees are included, and a wide range of activities, and most meals. We have included many highlights in our tours, so that you will see and experience the highlights without having to pay extra when you get there. So when you decide on which safari company to book with, look carefully at what you're actually getting. You may only visit a place once, make sure you get the most out of it.
- **Safety** – our fleet of vehicles are custom built to ensure comfortable and safe touring. Each is constructed, by an authorised passenger vehicle builder, to the latest safety requirements, with a safety shell, and every seat has a lap belt. This gives you peace of mind when travelling with Sunway Safaris on the often demanding African roads.
- **Good2Go** - Our commitment to sustainable & responsible tourism is reflected in our low impact travel style where all we take is photographs and all we leave is our footprints. Being an African company, we have the grassroots contacts to make a real difference in the lives of the people whose lands we visit. On each itinerary in the brochure you'll find this symbol which highlights just one of the sustainable travel initiatives that we support.
- **Solo Travellers** – going it alone won't make your holiday more expensive; our reservations staff will match you up with another same-gender traveller to keep your holiday affordable. If however you request a single room or tent these are available, with a price supplement
- **Experience** - we have more than 27 years' experience planning tours throughout Southern Africa. As such, our itineraries and routes have been perfected over many years ensuring that your tour will run smoothly. We visit the highlights of Southern Africa but ensure that you do not follow the well-trodden tourist track. All of us at Sunway Safaris have extensive travel experience in Africa, and throughout the world. Being adventure travellers ourselves, we know how to plan trips that give you a broad experience of the countries that you will visit.
- **Based in Africa** - probably the most important part of a Sunway safari is that we are an African company with offices in South Africa and Botswana. We live in Africa, we travel in Africa and it is our passion for this amazing continent that makes Sunway your best travel option.
- **Age Policy** - On all scheduled tours, we accept children 12-17 with accompanying adult. We have no upper age limit. Clients older than 65 years of age at the time of travel require a medical certificate stating the client is fit and healthy to join an adventure travel group tour. We have many clients over 65 years of age, who are perfectly capable of enjoying every aspect of a Sunway tour, both accommodated and camping. For more details contact [marketing@sunway-safaris.com](mailto:marketing@sunway-safaris.com).

### **Local Payment**

A local payment is not required on this safari.

### **Recommended reading**

Before you travel you might want to read any of the following books. While not specific to the Sunway tour you will join, they do provide some background understanding of the countries you will be visiting.

- Long Walk to Freedom by Nelson Mandela (Autobiography - Nelson Mandela is one of the great moral and political leaders of our time.)
- Sands of Silence by Peter H Capstick (Tales of travels and the Bushmen's culture and their political persecution)
- Skeleton Coast by John H Marsh (Wreck of the Dunedin Star and its survivors)
- The Diamond Hunters by Wilbur Smith (Fictional family feud set in Namibia)
- The Skeleton Coast by Benedict Allen (A journey through the Namib Desert)
- The Smell of Apples by Mark Behr (Story of boy in Cape Town and then army on Caprivi)
- Etosha by Daryl and Sharna Balfour (A coffee table book of photography)
- Newman's Birds of Southern Africa by Kenneth Newman
- Sasol Birds of Southern Africa by Ian Sinclair, Phil Hockey, and W.R. Tarboton
- The Safari Companion: A Guide to Watching African Mammals Including Hoofed Mammals, Carnivores, and Primates by Richard D. Estes and Daniel Otte
- Field Guide to Trees of Southern Africa (Field Guides) by Braam Van Wyk, Keith Coates Palgrav, and Piet Van Wyk

### **Shopping**

- Craft shopping for carvings, batiks, paintings and clothing is best in Victoria Falls which has a wide variety of curios. Botswana has beautiful grass weavings but these are available mostly at curio shops as there are hardly any craft markets in Botswana. Namibia also has unusual and interesting curios and crafts. If you see something you like, it is best to buy it because it is unlikely that you will see something similar further along. Crafts change from region to region.

### **Food**

- The majority of meals on this safari are provided by the lodges.
- We do cater for special dietary requirements (e.g. vegetarian or allergies.)
- All beverages will be for your own expense. We will not supply bottled drinking water although it is available at many shops on tour.

### **Difficulty**

- Anyone who is generally active and in good health should enjoy this trip.
- Full itinerary with a couple of long driving days. The road conditions through the wilderness areas are very poor and our progress can at times be slow and dusty. Remember to hold on at all times and enjoy the ride!

### **Things you should know**

- Includes park entrances, game drives and the Okavango Delta excursion.
- As this tour spends a large amount of time in wildlife areas it is essential that clients adhere to the tour leaders (and local guides) instructions regarding interaction with wildlife, camp safety and game walk/drive rules.
- Your client will need a valid passport and visas for entry into Zimbabwe, Namibia and Botswana.
- Luggage, please pack to a limit of 12kgs in a soft sports bag. Also, bring a daypack for walks and keeping in the vehicle. On the Accommodated Adventures & Classic Journeys, all bedding is provided, and you will not be required to bring a sleeping bag or pillow. At most accommodation establishments, towels will be provided, but it is always a good idea to bring a small travel towel for the beach or swimming pool. If you are travelling on a tour that visits the Okavango Delta please make sure to bring a small towel with you as there are no towels supplied.
- We recommend that you bring Euro, US\$ or South African Rand for personal expenses on this trip but please note that in Namibia, Euro and US\$ will need to be changed into Namibian \$ or South African Rand as shops, restaurants and market vendors only accept N\$ and ZAR. In Botswana please note that foreign currency will need to be changed into Botswana Pula as shops, restaurants and market vendors only accept BWP. Expenses in Victoria Falls can be paid in US\$ or Euro and major credit cards can also be used for optional activities throughout this tour. See the Sunway tour dossier for approximate costs of drinks and meals etc.

### **Common questions about this trip**

1. **Can I buy camera memory cards?** Memory cards and other photographic accessories will be available several times on tour. A camera with a zoom lens from wide-angle to telephoto, 35-300mm, is advisable to capture both scenic and wildlife shots. Each vehicle is fitted with a 12/220V inverter – this can be used while the vehicle is running (but will drain the vehicle battery if left plugged in), so this should only be relied on for limited charging of camera batteries and we recommend you bring a 2<sup>nd</sup> battery. Remember you can also charge your camera at all the accommodation except Elephant Pools Lodge.
2. **Is it safe?** Zimbabwe has been involved in a political power struggle over the past few years, and this has deterred tourists from travelling to the country. Having said this, the Zimbabwe people are always friendly and helpful to visitors to their country and tourists are welcomed with open arms. Botswana and Namibia are safe and your guide knows both countries intimately and will endeavour to show you the best parts while looking

after you. In the wild areas, your guide will brief you on the necessary precautions, follow this advice and you will be fine. Be aware of your personal belongings and you will have a great trip!

3. **Do I need malaria tablets?** Yes, the trip passes through malaria areas and prophylactics are recommended.
4. **What do I need to bring?** All details are covered in our general tour briefing (available from [www.sunway-safaris.com](http://www.sunway-safaris.com) on the home page) but the basics are: - comfortable clothes for warm days and cool evenings, walking shoes, flashlight, a raincoat, hat and sunglasses, swimsuit, a small pair of binoculars also comes in very handy and most importantly - a sense of adventure!
