Why travel with Sunway Safaris

We understand that there are several options available to you when choosing your African safari. We also know that you want to make the most informed decision about your safari, what you get, what's included and what you see and experience. So, these are just a few of the Sunway qualities and facts:

- **Small groups** – by travelling with a maximum of 12 people, you can witness Africa and have first-hand contact with this amazing continent and its people without being a negative influence. This has been a key factor in our continued success. Our trips appeal to a wide demographic of traveller. Our client's range in age from 25 to 65+ with the average being 45. The range of travellers gives a variety of perspectives which adds to the experience of each safari.
- **2 Sunway tour guides** – group leaders are the key to any safari. On a Sunway safari you will travel with 2 qualified and registered field guides (Field Guides Association of SA). Two guides as crew, not a guide and a driver, means interesting trips with maximum knowledge and information. Our guides have a

SUNWAY SAFARIS www.sunway-safaris.com +27(11) 465 4905 marketing@sunway-safaris.com sunway.reservations

passion for Africa, her people and her wildlife, and they love nothing more than sharing their knowledge with you.

- **Guaranteed departures** – departure dates on each itinerary shown as bold are guaranteed departure dates. All other departures operate with a minimum of 4 clients.
- **All-inclusive price** – when we travel ourselves, we always feel that if we're in a country we should find and see the best it has to offer. So, when planning the Sunway routes, we ensure that each trip provides the best inclusions and experiences. For example, if you go to Botswana – you must visit the national parks in an open 4WD – it is the essence of the Botswana wilderness. If you tour Zambia, then you must visit South Luangwa NP and do a game walk with a local scout. When booking on a Sunway Safari there are no hidden costs. All the entrance fees are included, and a wide range of activities, and most meals. We have included many highlights in our tours, so that you will see and experience the highlights without having to pay extra when you get there. So, when you decide on which safari company to book with, look carefully at what you're actually getting. You may only visit a place once, make sure you get the most out of it.
- **Safety** – our fleet of vehicles are custom built to ensure comfortable and safe touring. Each is constructed, by an authorised passenger vehicle builder, to the latest safety requirements, with a safety shell, and every seat has a lap belt. This gives you peace of mind when travelling with Sunway Safaris on the often-demanding African roads.
- **Good2Go** - Our commitment to sustainable & responsible tourism is reflected in our low impact travel style where all we take is photographs and all we leave is our footprints. Being an African company, we have the grassroots contacts to make a real difference in the lives of the people whose lands we visit. On each itinerary in the brochure you'll find this symbol which highlights just one of the sustainable travel initiatives that we support. 
- **Solo Travellers** – going it alone won't make your holiday more expensive; our reservations staff will match you up with another same-gender traveller to keep your holiday affordable. If however you request a single room or tent these are available, with a price supplement
- **Experience** - we have more than 28 years' experience planning tours throughout Southern Africa. As such, our itineraries and routes have been perfected over many years ensuring that your tour will run smoothly. We visit the highlights of Southern Africa, but ensure that you do not follow the well-trodden tourist track. All of us at Sunway Safaris have extensive travel experience in Africa, and throughout the world. Being adventure travellers ourselves, we know how to plan trips that give you a broad experience of the countries that you will visit.
- **Based in Africa** - probably the most important part of a Sunway safari is that we are an African company with offices in South Africa and Botswana. We live in Africa; we travel in Africa and it is our passion for this amazing continent that makes Sunway your best travel option.
- **Age Policy** - On all scheduled tours, we accept children 12-17 with accompanying adult. We have no upper age limit. Clients older than 65 years of age at time of travel require a medical certificate stating client is fit and healthy to join an adventure travel group tour. We have many clients over 65 years of age, who are perfectly capable of enjoying every aspect of a Sunway tour, both accommodated and camping. For more details contact marketing@sunway-safaris.com.

- Craft shopping for carvings, candles, batiks, wirework, paintings and clothing, in Swaziland and Zululand is some of the best in Southern Africa.

Food

- We pride ourselves on offering delicious healthy meals to our clients and will provide three meals per day, except where shown in the itinerary, where we try out local restaurants.
- The tour leaders do the shopping and meal planning for each group. He/she will always try to obtain fresh produce wherever possible. All cooking and eating utensils will also be provided.

The group shared meals we provide are subject to available produce, and in our sometimes-remote destinations, the variety of ingredients is sometimes limited. However, we do take allergies, vegetarian and vegan dietary requirements into consideration to ensure everyone has suitable meal options.
- We will supply fruit squash served with breakfast and tea or coffee served with breakfast and dinner. All other beverages will be for your own expense. We will not supply bottled drinking water although it is available at many shops on tour.

- Full itinerary with a couple of long driving days but also plenty of outdoors activity.
- Everyone is asked to help out with the running of camp on tour. In other words, if everyone spends a little time setting up camp, preparing meals and cleaning up then the tour will run smoothly and everyone will have a good time. Participation is the name of the game.
